Altea is about 40 km north of Alicante, a lovely fishing village. During the summer months every night in the small plaza in the old centre there is a handicraft market. All around the plaza are different bars and restaurants from where there are wonderful views of the Mediterranean. Every Tuesday there is a market on the sea boulevard. For those who like theme parks about 10 km. away is Terra Mitica. In Callosa, about 15 km. away there are the Algar springs with a small waterfall. Continue another 15 km. and you'll come to Guadalest, an entire village built on top of a cliff.
